

5 February 1952

MEMORANDUM TO: [REDACTED]

0/00/

It has come to my attention that there have been apparent conflicts in OPC between the area desks and the [REDACTED] [REDACTED], particularly the Psychological Warfare Branch under [REDACTED]. This is a matter that seems to me should be looked over from the position of your office to find out whether this branch is effective.

Stuart Hedden
Inspector General
